

MEET THE TEACHER!

The Basics!

Hi! My Name is Mrs. Garcia and I will be your child's 2nd grade teacher for the 2017-2018 school year! This will be my 4th year teaching and I am excited to share my love of learning with my students. I look forward to working with you to help your child grow academically and increase their confidence in themselves.

My Story!

I grew up in Union City, NJ and graduated from Emerson High School in 2003. After obtaining my undergraduate degree, I spent some time living in Georgia and Texas as a military spouse. During that time, I got my Master's degree in teaching and taught 2nd and 4th grade in San Antonio, TX. I am excited to continue my teaching career here in Garwood and work closely with you to provide your child with the best education possible!

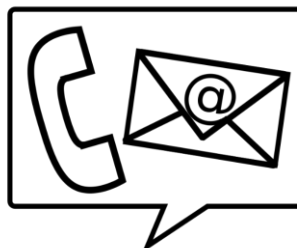

My Education!

In December of 2010, I graduated from Augusta State University in Georgia with a Master of Arts in Education. I have experience teaching Kindergarten, 2nd, and 4th grade.
