Dear Parents/Guardians:

Thank you for taking the school survey and the results are attached. There are 271 families in Lincoln School and there were 158 responses. As per your responses, you would like to be emailed at least 1x per week with school updates. Moving forward I will send a school update every Friday.

As per the NJDOE guidelines, communicating with parents is extremely important. I understand parents want answers, however I also know you understand that putting together a schedule for a safe return to school takes time. The Restart committee met last week and began the discussion of returning to school safely. It was an informative first meeting and I appreciate the feedback from parents and look forward to the next meeting. Finalized plans for school reopening in September will be shared with the school community on August 12, 2020.
