

Virtual School Summary

- Parents must return the request for virtual learning form by August 27th
- On September 9th students are invited to meet their teacher(s) on the back playground
- The time for the meet and greet will be sent via email on August 12th
- On September 9th all students will pick-up their school issued chromebook and any other materials they will need for virtual instruction
- On September 9th middle school students will return summer work
- Beginning on the first day of school, September 10th students will log into their chromebook at the start of the school day
- Students will be invited to a google meet by their teacher
- Teachers will take attendance
- If your child is sick please call them out on the school absence line 789-0331 ext 2150
- Students will watch the teacher instruct the lesson and will be able to participate during the questions and answer part of the lesson
- During classwork time the google meet will have the camera and microphone turned off. (this is required for the privacy of the students in the classroom)
- Students at home will also be completing the classwork and the teacher will give an approximate time for turning the camera and microphone back on
- Parents please note that your child may need your assistance to complete the assignment
- For middle school students they will be invited to google meets from each subject teacher
- Students must participate in the entire four hour school day
- At the end of each school day at approximately 2:15 pm classroom teachers in grades 1-5 will have a google meet with the virtual learning students to assist with any challenges/questions they have from the school day
- Middle school teachers will have afternoon google classroom office hours for assistance
- In the afternoon students will have access to virtual google classrooms for Art, Music, WL, PE and SEL
- Students will be required to submit classwork, take tests and will receive report cards
