RE: Nutrition policy reminder

Dear Parents/Guardians:

Just a reminder that the Lincoln School Wellness & Nutrition policy encourages only healthy snacks. To comply with the board of education policy and federal/state legislature requirements, we ask that you not send candy to school for Halloween.

In keeping with that policy we want to remind parents not to send soda and/or candy to school with their children's lunches throughout the school year.

If you should have any questions please refer to the Pupil Parent handbook, page 24, or call the school office.
