*There is no better place to create a caring community
than in our schools....
the heart of our future 
~ P. Gandara*

September 7, 2021

Dear Parents/Guardians:

As we make the final preparation for the opening of the 21-22 school year it is our hope that all our Lincoln School Families survived the storm unharmed. If you or your child needs support in the aftermath of the storm please reach out as we would be happy to assist you.

Unfortunately, not all of the summer projects have not been completed. Although the Third Avenue playground has been resurfaced and lined, the new basketball backboards have not arrived. The new rubberized gym floor material has been delayed and the gym will not be able to be used until the end of September. Gym class will be held on the playground weather permitting.

Thankfully our classrooms and teachers are ready to go and we are all looking forward to the first day of school! I have been in contact with Mayor Todisco regarding the underpass which opened today. Weather permitting, the underpass will remain open, however rain is in the forecast for late Wednesday and early Thursday. Please check the Garwood Facebook page if it is raining on Thursday morning to allow for enough time to get across town.

The staff and I are looking forward to another successful year at Lincoln School. Working together, I know that we will have a rewarding and positive school year!

Teresa Quigley, Ed.D.
Superintendent/Supervisor of Special Services
Garwood School District
